

Eufoniem is dedicated to those who support and appreciate our work, Locomotive. There is nothing more beautiful than our friendship and your smiles are always inspiring. Thanks to my best friend, Sunardi Purwosuwito, for the unique and mysterious name.

Eufoniem comes with two variants; Eufoniem One and Eufoniem Two, so that you can mix and match your typography and design with easy and varied.

Features:

- Two variants
- Auto terminal form on several selected letters.
- Symbols, punctuation, numeral
- Multilanguage support
