You shall not distribute the fonts to people outside of your organization. The fonts may be embedded into files of the *Portable Document Format* (PDF), *PostScript* (PS), and *Encapsulated PostScript* (EPS) types, as well as into websites with the @font-face technology. The fonts may not be embedded into any other format under this license.

5. You may not modify the fonts in any case. You may not commission a third party to modify the fonts. Outside of their legal use as described in this license, you may not distribute, lend, rent, sell, give away, publicly or privately share any modified or unmodified version of the fonts.

6. We try to produce our fonts to the highest and most up-to-date technical standards. If you do experience any difficulties with our fonts, we will do everything that we can to work with you to resolve any issues. Doubletwo Studios does not take on any liability in this transaction.
