

Terms of Use

The Monkey Roodles Font you downloaded through dafont.com or 1001freefonts.com is free for personal use only.

What you CAN do with this font:

You may use this font in personal (non-commercial) projects on your home computer. You may use this font for personal (non-commercial) use for memes created for Pinterest & Instagram (or other social networking sites) as long as it is not used to promote your business or items you sell- that would be commercial use that requires a commercial use license.

You may use this font for “personal use” on your blog if your blog is just simply a family/personal blog in which you do not make money in any way (through affiliate marketing, advertisements, or any other means). If your blog is one that gets much more traffic than just your family and friends and brings in an income, please purchase a commercial license in order to use my font as part of your header/logo design.

If using my fonts on social media, use #monkeyroodlesfonts or #(name of font) ...though not required, it's just cool to see how my fonts are being used! 😊

What you CANNOT do with this font:

You do not have permission to share this downloaded font in any way, for free or for sale. You may not upload this font to other digital download sites. You may refer people to dafont.com or 1001freefonts.com for personal use, or to my website www.monkeyroodlesfonts.com.

You may not use this font for any commercial purposes without a commercial license. Please visit my website for info on purchasing a commercial license.

You may not create derivatives of this font by turning it into vinyl or wood lettering, rubber stamps or embroidery.
